RCM Report

11/13/22

The last Regional Committee "Zoom" Meeting was October 8th. I was unable to attend and we currently have no Alt. However, I was able to get notes from the meeting and here is the summary.

The only motion from last meeting was to send NAWS \$17,036.23. The current Balance in the Region Account is \$26,046.22. Please see the attached Region Treasurers report and Profit & Loss for more detail. Any questions about this please ask, I will do my best to answer.

Many of the Sub Committee's are continuing to meeting. PR, Web Chair, Phone Line, Policy, and the RDAD have submitted detailed reports are available if anyone has questions about their activities. I have attached the RDAD report as well.

From World;

The Annual CAR Report is pending and should be released late November (11/24) and there are 21 Motions expected to be included. As soon as the report is released I will forward to our Web Chair to post on the Area Website so Home Groups can get a jump on preparing to send in their responses to the motions.

There is continued Drama from the IRAN Region; It's a bit complicated. However here is a brief summary. IRAN's NA service structure decided that NAWS wasn't doing anything for them that they couldn't do for themselves and basically told them to stuff it. There is some communication still happening between some of the delegates on both sides of the ocean, but nothing official. More will be revealed...

Lastly, We have a new Mediation Book from NAWS; "A Spiritual Principle A Day" or "SPAD" and is available on the NAWS Web Store, \$13.00 a copy. This has been a work in progress for approx 2years. There is some confusion about who did the actual writing but it was professionally edited. The concern by some that this is another "Guiding Principles" process which largely bypassed the fellowship and member participation. I suggest HG purchase a copy for review before just adding to their literature supply.

<https://cart-us.na.org/a-spiritual-principle-a-day-1110>

Currently the following "Regional Service Positions" are open. Still no candidates for the primary positions listed below.

\*Chair

\*Vice Chair

\*Secretary

\*Alt Secretary

With the Secretary position open for the last three meetings the Zoom Calls are still being recorded in hopes that they can be transcribed at some point and entered into the record.

The next Region Meeting is possibly to be held in person, hosted by the South Coastal Region on January 14<sup>th</sup>. Hopefully returning to in person meetings and getting more in person meeting.

Thanks for allowing me to serve,

Brian F.

## Treasurer's Report

Hope all are staying safe; all reports (Balance sheet, Profit and loss Report and Quarterly Profit and Loss Summary) are in the portal for your view.

First quarter donations total \$12,093.71

First quarter Expense's total \$2,067.97

Current Bank Balance \$26,046.22

I would like to thank Pam H and Randy T for all their work during the transition. There are still open items on completing the banking. The bank has asked that documentation be provided showing the election of new financial representatives. This is required to remove names of people who are no longer affiliated with the CRSC. We have started the process of adding the Chair and the RD to the signature card, but this process has also been a challenge. The Finance subcommittee has discussed this and will be making recommendations for the next transition.

Recommendation for NAWS donation \$ \$17,036.23

In loving Service,

Ron B

RDAD Report CRSC  
October 8, 2022

Greetings CRSC family from the RD/AD Team. Thank you Catawba Valley for hosting us.

**World –**

- Virtual Meeting basics has been released and is Board Approved Literature. This can be found here <https://www.na.org/virtual>.
- Surveys for MAT/DRT can still be found here <https://www.na.org/?ID=projects&ID=projects> this came out of the 2018 conference directing laws with creating a project for a piece of literature about DRT/MAT as it relates to NA as it relates to NA
- Price Increase. Effective 1 January 2023, the price of all books and bronze medallions will increase 12%. This does not affect Ips, Booklets, keytags etc. We wish it was not necessary, but costs of production have risen so dramatically that we believe scheduling a price increase is prudent

**CAR –** The Conference Agenda Report (CAR) will be released early this year by November 24<sup>th</sup>, there is expected to be around 21 motions. This will be nice as we will be able to have a CAR workshop at the zonal forum in December.

**FIPT Project –** There are some proposed revisions to update the FIPT to add Zonal Delegates as decision makers in line with current conference policy. There was also a poll to decide what percentage of delegates we would need request an inspection. This will be a CAR motion. More will be revealed.

**Situation in Iran -** The World Board and NAWS have received many questions about some postings on social media related to recent decisions in Iran for the Iran region to print and distribute NA literature. The Iran region is not the only region in Iran, but it is the largest. We learned of these decisions in the same way that many of you did—by reading about them on social media. The region did not attempt to discuss this decision with NAWS. The World Board or announce their intention to the WSO, NAWS, or the World Board. NAWS and the World Board are currently attempting to communicate with the delegate and other trusted servants from Iran. I have communications with NAWS and Iran and will attach it in my report. I would not be surprised if the region splits and there becomes three Iran regions.

**CP Webinars –** We have been continuing to be bi-monthly our next meetings will be October 22 and December 10. There has been much continued discussion around moving to a 3 year cycle for two cycles with a interim meeting in between. If approved there will be a virtual workgroup created to work out the details. Most likely will be a motion to revise NA Intellectual Property Bulletin #1 clarify what is and is not possible under copyright law and to remove the automatic ability of a group to print NA book length pieces and require permission Member contributions were at an all-time high in the last fiscal year ending June 2022, at approximately \$2.2 million. Thank you to everyone who has helped and continues to help with this effort.

**SPAD –** SPAD is available, yay!! We have a new book. It is \$13 and available here <https://cart-us.na.org/a-spiritual-principle-a-day-1110>. Item No. 1110. This will not be part of the price increase.

**WCNA 38 –** World Convention of NA will be held in Washington DC August 29 – Sept 1 2024

Morris Village: Audra T. voted in as Facility Coordinator and also serves as Panel Lead on Sundays. Written Report submitted for Area Meeting on November 13th.

Jerva W. is Panel Lead on Wednesdays and has missed two sessions due to unforeseen circumstances. Audra T. filled in for the Wednesday before last while one meeting was cancelled although the Speaker had arrived. Mr. Blackwell was informed of this incident and the standing rule that no H&I service attendee enter the facility alone.

Chevette T. is Panel Lead for Thursdays; qualified and voted in for this day at the last H&I meeting. Encouraged to utilize her network for speakers and panel leads. Audra T. has filled in for her and/or gathered Speakers for Thursdays in assistance.

# H & I Facilities Report

10/22/22

I have made some progress with SCDC regarding their needs and possible dates of re-opening meetings within SCDC Facilities. They have lifted COVID restrictions for outside personnel to enter the facilities. I spoke with the director and am expecting a list of facilities and contacts for the specific early this week.

At the moment she has made formal enquires about bringing meetings to the following facilities;

\*Kershaw

\*Goodman.

\*Broad River Correctional.

\*Women's Correctional (Camille & Graham).

\*LRADAC.

\*Kirkland.

\*Manning.

I believe she mentioned Kershaw as being ready to go now. We need to nominate a panel coordinator 😊. We may be able to carry a meeting there his week. I would be happy to accompany our Panel Coordinator for the first few meeting to help establish the meeting and determine the facilities needs.

## Literature

I have placed, received, and been reimbursed for the latest Literature Order (Total \$224). Invoice attached. Our literature supply is good shape.

## **PR REPORT 11.13.2022**

- We are currently working on an NA Flyer Drive, but we need support. The PR subcommittee meets the 2<sup>nd</sup> Friday of every month at 6:00 pm at the Irmo Starbucks, located at 7688 Broad River Road. We have positions open and desperately need the help.
- Our 3 months of Billboards have concluded. It is our recommendation that we purchase an additional 3 months (\$600.00 per month) for a total of \$1,800.00. We will submit a motion form with this report.
- There were 0 attendees at the last Phone-Line orientation.
- We have reached out to several community agencies in an attempt to provide schedules and IP's at their locations. We are awaiting responses from Lexington Medical Center in W.Columbia and Cayce Police Department. We were able to meet with Palmetto Health Addiction Recover Center at 720 Gracern Road in Columbia, where we provided information about our fellowship, including IP's. They now have updated copies of our schedules for clients, as well as information about how to utilize our Area's Website. We are seeking reimbursement in the amount of \$10.22 for the IP's from NAWS. There is a copy of the receipt attached to this report.

Thank you for allowing me to serve
