Motions/Chairperson's Reports (See attached):

- 2 Motions attached that were voted on by area GSRs at meeting.

Group Concerns:

Concern was brought up by Elyse representing How it Works regarding the motion by PR to change wording in policy regarding RCM position. Concern was about wording being confusing. This brought up a big discussion on how motions are written and that they need to be clear for anyone reading them. Concerns were also brought up about people voting who were at last area meeting and how people need to be aware of what they are voting on. A lot of discussion was had on service positions, making sure you vote in an educated manner, etc. Concerns were addressed on the floor.

ASC Issues: The following service positions are open for nominations. Positions will begin in July of 2023 and run to June of 2024-**NOMINATIONS MUST BE IN AT NEXT AREA MEETING:** Alt Chair, Alt Secretary, Alt treasurer, Policy and Procedure chair, Activities chair, H&I chair, RCM, Alt RCM and Lit review.

Old Business:

Motion regarding changing RCM position to two years failed

Motion regarding starter kits for new home groups passed

New Business: None- all were voted on, on the floor, as outlined in motions and are in the area scan.

Budget for CCANA Area Chair- \$125 for GSR Binder supplies for the year if needed.

RCM Report

04/16/23

Good Afternoon;

The Tally Sheets from the HG CAR Report Motions were successfully submitted.

The last CRNA Meeting was not held, near as I can tell. There was a problem with the Zoom Link and to my knowledge the meeting never got off the ground. I was in contact with our Region Delegate via email; he stated that Kevin (webchair) was working on it and it would start at 11am 4/08. I checked in every 15 min or so for a few hours with no success.

I checked the Web Portal and there are a few reports uploaded, no meeting minutes. The treasurer report is attached. Current Bank Balance is \$24,283.93 and recommends \$15,170.29 be donated to NAWA. No donation has been made at this time, this requires a vote, in absence of a committee meeting this will likely be postponed until next meeting.

I will be checking in with those at region and the website to see about a makeup meeting???

Currently the following "Regional Service Positions" are open. There are still no candidates for the primary positions.

Open Positions:

- Vice Chair, (minimum 3 years of clean time)
- Alternate Secretary (minimum 1 year of clean time)
- Hospitals and Institutions Chair/Vice Chair (minimum 3 years of clean time)
- Literature Review Chair (minimum 3 years of clean time)
- Alternate Delegate
- PR Chair

WSC (World Service Conference) – April 30th through May 6th, 2023.

Will be streamed on YouTube, more info to follow at na.org/conference.

Friendly reminder that we still need an alternate RCM as my position is ending in 2024.

The Next Region Meeting should be July 8th 2023. Anyone interested in attending with me (zoom) let me know,

Thanks for allowing me to serve,
Brian F.

Activities report for April.

Last month on March 18th we hosted a cookout/game day. We spent a total of 212.77\$, and brought in donations in the amount of 40\$.

The breakdown of money spent is as follows:

Publix--51.76 (drinks, charcoal, condiments)

Costco--161.01 (burgers, hot dogs and cups and plates)

Facility--recieved donations went to donation for facility 40\$

There was a great turn out of 35-40 people in attendance. Every activity was utilized. Such a great success!

For the past few events this committee has had minimal support. As it stands multiple positions are open in the sub committee.

With that being said, we are going to do a final activity before elections are made. Summer kick-off.

I will be contacting dreher island to lock in a lake event this week after area for the begining of June

Next activities meeting will be held May 3rd at Starbucks on #1 across from Walmart in west Columbia at 630pm

-Budget---

5-6 events annually--estimation @ 175\$ per event

Proposed new budget @ 1,100\$

The Google Drive at that location contains folders with both videos and MP3 audio files; and includes a discussion about the CAR Survey and Issue Discussion Topics (IDTs). There is now another recorded workshop posted as well in the same location.

▪ **Planning for PR Week 2023** is well under way! The SEZF's event planning group currently meets monthly via Zoom – the next meeting date is **Wednesday, March 8th at 8:00pm EST and the 2nd Wednesday monthly**:

- Meeting ID: 827 7485 8482 – email pr.chair@crna.org to confirm if you'd like to attend. Similar to last year's Multizonal Service Symposium (held in GA with virtual access), we will provide full sign language and other-language interpretation.
- o We will be hosting a live workshop in Winston Salem, NC and will be there for the entire day of the event. There is a half hour lunch break scheduled in as well.
- o **The Planning Group is requesting each Region in the SEZF to hold an in-person workshop on Saturday, June 10** – to be live-streamed via Zoom within the event schedule! **The SEZF has approved "seed" money** for each Region help with reserving a space – and CRNA-PR would have proposed working with the NC Region to present a live workshop. We are considering finding a location that is central to our 2 Regions – Winston-Salem, Greensboro, etc.

CRNA is now registered as Exhibitors at the 2 professional Conferences that are consistently listed in the PR Subcommittee's annual budget:

- o The Governor's Institute "Addiction Medicine Conference" – to be held on March 24-25 (Fri-Sat) in Asheville, NC. Our registration secures exhibit space and registration for 2 members, during the event as well as during a "Networking Reception" on Friday evening. Karen and Austin will attend!
- o The Lowcountry Mental Health Conference – July 26-28 (Wed-Fri) in Charleston, SC. The non-profit fee is \$900. Our budget includes lodging for 4 members.
 - o Karen, Rosemary, Eric V, Sam M. – *Craig R. is planning to attend!*

PR projects in different Areas have been moving forward:

- o A number of PR "tools" that have been shared at PR Subcommittee meetings have been put to good use in many Areas – one of the most effective of these has been the use of QR codes pointing to websites or phone lines; on business cards, yard signs and "refrigerator" magnets.
- o Unity Day and Learning Day events continue to be held around the Region.

Working on a new business card using **Canva** which is a free app you can download to your computer. Canva includes a wealth of templates for all kinds of design projects. It will create the QR code for you! This app makes it simple and easy to create your card and make it look professional. <https://www.canva.com/>
 *New business card design is attached! This is a 2-sided design; can be printed with just 1 side (front).

- o Committee continues to receive questions on 2 subjects:
- o For questions about **using the Region's phonline (Yap) system**, please contact the Phonline Chairperson (Laura) at phonline.chair@crna.org. The Phonline Committee has been meeting only occasionally – the work team needs support.
- o **Meeting information on NA.org**, or on the "NA" app, is OUT OF DATE and often inaccurate, due to staffing issues. The best source for meeting information is the Carolina Region's website, where meetings are updated by the Areas: <https://www.crna.org/all-meetings/> OR use the Carolina Region's mobile app, available for iPhone or Android:

Let YOUR Public Relations subcommittee know how we can support PR efforts in your Area! To that end, we continue to provide the following information:

- o Check out the "Service Material" page on NA.org:
 - <https://www.na.org/?ID=servicemat-service-material>
- o All service handbooks and "Basics" guides, including "Virtual Meetings Basics" are available for free download from NA World Services:
 - <https://www.na.org/?ID=handbooks-handbook-index>
- o **NA Virtual Outreach** – a great resource for a variety of video tools on YouTube: virtual and hybrid meetings, PR/H&I/Phonline workshops, presentations, NA history, etc.
 - <http://youtube.com/c/navirtualoutreach>
- o **NA-PR.org** – a resource collection that has been compiled for many years. <https://na-pr.org/>
- **Area Updates**
 - o **Eric V (CVANA Member)** – CVANA is running the bench ads again this year and will have funds left over to possibly do another PSA throughout the year. Reaching out to a lot of new facilities to put new literature racks out. I am no longer a member of this area, but I still attend the Outreach subcommittee. We are also working together with FANA to participate in a black balloon day event. We will work together to set up a table and give out information
 - o **Austin B. (WNCNA PR Chair)** – We are of course looking for more volunteers. Our next meeting is March 16th at 7pm. We are continuing with our free spot in the mountain express. We are still negotiating with the bus company and will probably need more money to get the involved with ads there. We also have created a printable phone sheet that can be printed at wncna.org. If there is anyone interested in printing business cards we are printing these through gotprint.com
 - o **Ashley V.** – One of our goals was to reach out to colleges. We have put them out at 3 of the colleges in our area and have our flyers with QR codes being printed. We are going to send them to the colleges to hang up. One of the colleges is asking us to come and set up a table at the college where the students have lunch at and give out information on NA. We started a new meeting in the area and got that on the regional website. I do have questions on the board as far as what all is on that so that we could possibly create one of our own. Could you send me a picture of it? We had some literature racks removed from facilities during COVID and we are having a hard time getting those back in.

Rosemary (Sun City Area PR Chair) – We have a GSR orientation from 9-9:30am to give the GSRs a look at what we are doing, how we are voting, and before every ASC. We have decided that we are going to move area to a set central location. What is unique about this town is that a lot of people come to the resorts and a lot of them decide to retire here. We have a lot of people in our area from all over but mostly the eastern coast of the US. We get so much help here. We got a lot of help from the ASC with \$170 to get magnets. We are getting business cards; we are going out to different meetings in our area to give out these things and to ask if they need help with anything or want to do a poster day. We also have a big convention that is put on by a homegroup called TUNACON. Whatever is left over money wise goes to buying literature for the homegroups. The area is going to start stockpiling literature to save money on shipping for the homegroups. We print out 550 meeting schedules a month.

Karen H (Lake Norman Area) – Our area is very geographically sprawling, and we are about to start serving a facility that is just outside our area going north. We did make the decision to have our outreach meeting start meeting in person again. We are going to have our meeting just before a homegroup meeting to help support that meeting and to have our meeting in person. It has gone ok so far, our second meeting is this Thursday. We are encouraging people to call someone's phone and participate in the meeting because we don't have the best internet connection. We are going back to very old school and passing sign-up sheets for service work. We combine service under outreach. We have struggled to contact one facility that we use to carry a message to, and their volunteer process has gotten ridiculous. We must first meet with them. We have a meeting with a facility in Statesville to see how all that goes.

- **Eric V.** – Karen there are people in CVANA who are willing to help with the facility in Statesville.
- **Karen** – I will keep communication open with them, thank you!
- **Open Discussion/Questions**
 - Austin** – Just so you know as a non-profit we are eligible for the professional version of canva for free. As long as you are a nonprofit.

Thank you to everyone who continues to attend the monthly CRNA-Public Relations meeting!
