Our bank account is at \$6828.46 and our Quickbooks balance is at \$6647.02. The difference is the outstanding check to Heather F (for schedules that were not actually charged by Office Depot) and the check from December to Chris F for Schedules.

The only withdrawals is the monthly charge for Quickbooks online. And the deposit is the ones from last month for \$285.00.

The December bank statement is attached as well as two reports, December through today activity and the activity for our current fiscal year.

Thank you for letting me serve.

Tips on wiring money

Wiring money is just like sending cash. Help protect yourself by knowing how to spot the signs of a scam. Red flags include pressure to send right away, investments that promise high returns, unexpected requests from impersonators posing as well-known organizations, and last-minute changes to established wire instructions. Consider consulting a banker before you wire money.

Alt-RCM Report 01/13/2024

Good Afternoon,

The CRNA was held as scheduled on 01/13/2024. The minutes from last regional meeting were approved.

There were no new proposals put forth to the region and the only old business to discuss was the follow-up on the region's storage unit. As for the storage unit, all documents have been shredded according to appropriate guidelines but there are still physical items in the storage unit (empty filing cabinets, table, hand dolly, cart, etc.) With that being said, the region still paid for the storage unit for the month of January but will not continue for the month of February. A local home group has agreed to remove the rest of the belongings but has not done so.

There was also discussion on whether to keep the CRNA app active. From what was said the app is outdated and the region is unable to update it. The app also does not work on certain types of phones. The discussion was tabled for next regional meeting but the recommendation was to point any addict in need to the BMLT app or to the CRNA.org webpage.

Treasurer Report Highlights

- Second quarter donations total \$9857.96
- Second quarter expenses total \$3283.24
- Current Bank Balance \$16,665.55
- Recommendation for NAWS donation \$6745.55

There are still many positions open in the regional area and our region is in desperate need of addicts willing to serve. The positions are as follows: Secretary, Alt-Secretary, Alt Treasurer, Finance Vice-Chair, H&I, H&I Vice-Chair, Lit Review and PR Co-Chair.

I have attached all the reports from the meeting for anyone to view.

Thank you for allowing me to serve.

Regional Website Team Report and Statistics January 2024:

Dear Members,

In the past cycle we have

- Setup Zoom for RSC and Added to event
- Updated Plugins to latest vs. (daily maintenance)
- Attended the NAWS webinar regarding the planned changes to meeting listings on NAWS:
 - Provided input to NAWS IT for additional information on how the information of our region displays on the new meeting finder. Carolina Region North Carolina and South Carolina , instead of the states coming up separately. We also provided some updates as to which area's are within our region.
 - Webinar video <https://www.youtube.com/watch?v=fu93yQuHxzI>
 - FAQ - https://www.na.org/meetingsearch/NAWS_Meeting_Finder_FAQ_2023-11-20.pdf
 - Additionally provided input on layout and structure of the page for the NAWS IT team
- We removed the sliding banners and created 3 new buckets as a replacement.
- Sometime in November an update rolled back a few items and links. We worked on updating them and believe they are all now correct.
- We are asking this body as to what to do with the Behind the walls page and links. It has been sometime since we've had a co-ordinator and would rather take down the page than have a stale page with no changes in 5 years. The options would be **1.** Have a volunteer to manage the behind the walls and provide an audit of what should change. **2.** Remove the page and links until we have a BTW co-ordinator. **3.** Leave it up with no changes or use on the site.
- We updated the NC SC meetings pages to utilize Crouton vs a static table.
- An item that needs to be brought to the RSC's attention is that between the April and October RSC meetings the stand we use of the camera was lost and we do not have a suitable item, so the committee can either provide funds to replace or not. We do believe that going forward only RSC Admin members should possess or transport equipment the fellowship has paid for.

Please ensure that your area has an elected or appointed web update TS. If not please contact us and we can help update your meetings on CRNA. If your area has a new member in the role please ask them to email the webteam - webteam.chair@crna.org (Kevin C) or webteam.vchair@crna.org (Patrick J) and we ask that they cc their area RCM for verification on the email.

H&I Subcommittee Meeting for 1/7

Facilities Coordinator Report

1) Follow-up to Institutions and Facilities:

Nothing to report until we get more people orientated and I can give info to facilities that are really ready to have us come in.

2) Orientation

If anyone on either H&I subcommittee, CCANA Area committee or GCANA Area committee knows someone with individual groups in their area home groups who are willing to be orientated by phone or via ZOOM meeting, please give my contact info to those groups or individuals and I'm willing to accommodate them. This of course will need to be planned beforehand. They can reach out to me directly at 720-335-8471 or FacilitiesCoordinator@hhi.org, and I can set it up.

3) Orientation Blitz!

Continuing the Blitz. Please have groups in your area announce during their meetings that I'm doing my best to be present at all H&I meetings from 2:15 to 3:00 at our subcommittee meetings on the last Sunday of each month in order to get folks orientated. I need YOUR help during RAW Convention on this as well. I plan to have flyers available at the convention that will stress the importance of carrying the message to hospitals and institutions. Also if you are a GSR, please feel free to make this a part of your area report so that groups not in attendance can reach out directly to me if needed.

Subject: Policy and Procedure Report

To: <dnzsmom@gmail.com>

1/14/24

Policy and Procedures did not meet this month. Next scheduled meeting will be 2/11/24 at Starbucks on Knox Abbott Rd. At 1:30 PM. After much prayer, thought and consideration I have come to the very difficult decision to step down as Policy and Procedures Chair due to personal matters and events taking precedence. I have thoroughly enjoyed serving Area and I hope to be able to be of service in the future. I apologize for any inconvenience or disappointment. Thank you for allowing me to serve.

Web Servant Report 1.14.2024

- Updated schedules have been printed and are available for GSR's at the front table. PLEASE REMOVE ALL OLD SCHEDULES FROM YOUR HOMEGROUP RACKS!!! The new schedules have a QR code on the front with instructions on how to scan and download the BMLT Meeting Finder App. Simply scan the code, and it takes you to the APP download page where you can select to download for either Android or Apple. Please share this information with your homegroups, and encourage all newcomers to download the app. I can track how many times the QR code is scanned, from what zip code, and how many times the app is downloaded. I will include this information in my report moving forward.
- The phonline orientation information and H&I information are now on the schedule. Region hosts a virtual phonline orientation the LAST Sunday of each month from 2-3:30pm. The zoom info is on the schedule AND on the Events Calendar on the website.
- We have removed the old calendar from the website. It was causing too many glitches in the site, and was not user-friendly, as you couldn't see a list of events or events on the calendar. We have created a new "Upcoming Events" tab at the top drop-down menu of the website. Here you will find a new calendar that shows upcoming events in a list view, with options to view a monthly calendar and weekly listing. It also has a search bar function at the top of the page. I have attached a screenshot of the page to this report. There is also a button at the bottom of the page that allows you to link the calendar to your iCalendar or

Google Calendar when accessed from your smartphone. The new Calendar DOES NOT have the ability to have events submitted by members. We were getting several spam events created by bots/trolls etc... Moving forward, please use the "Contact Us" button on the website to submit your event, and I will update the Calendar accordingly. Please use this function to submit all events, including subcommittee meetings, activities, flyers, conventions, homegroup celebrations, and other area events as well. I am working with Region in order to populate their calendar to ours as well.

- You can now download copies of Service Resume's and Motion Forms directly from the website for printing. You can access these files by clicking on the "Resources" drop down menu and selecting "CCANA Policy".

• I have submitted a receipt in the amount of \$51.84 for reimbursement from schedule printing.

Thank you for allowing me to serve,

Chris F.
