April 2024 Treasurer Report

Hi all! I am sorry that I am unable to make it today. What was supposed to be a quick install of a pipe yesterday turned into a mess at my house today and we are trying to fix it now.

Our bank balance as of today is \$6326.66 and Quickbooks balance is \$6235.94. Which leaves a difference of \$90.72 which is a check to Chris F that is not showing as deposited.

Donations totaled \$125 + a refund check of \$86.09 from Ladies Night for the Valentines Dinner is the total deposit of \$211.09 in March. Then a check for \$44.98 for schedules and quickbooks charge of \$32.40 is all that was spent for the month.

Please mail any donations to our PO Box. And if I need to cut any checks please let me know who needs them and I will get up with them as soon as possible. Thank you!

Thank you for letting me serve, Ashley B

PHONE LINE SUBCOMMITTEE REPORT

Apr 13, 2024

The Phoneline Subcommittee thanks everyone for their service and continued commitment to carry out our primary purpose in line with the 5th Tradition. There are 12 areas in the Carolina Region actively using the YAP system with enabled volunteers.

Two areas reached out for assistance and their issues were resolved. 1 area reached out for additional information and their call was returned. In the past quarter 1 password reset requests were made and completed. I overlooked 1 email for orientation because it went to SPAM, but responded as soon as I realized the error. Please note that if I do not respond to your email requests right away, feel free to text/call me at (828)598-1021 or contact me through the SLACK Channels.

Our billing totals for January are \$34.70, for February are \$40.21, and for March are \$44.01. I have attached visual graphs for review. I do not post detailed statements to protect all areas of autonomy due to all call details being listed. The current balance is \$84.92 and I am requesting Ron B. to add \$150.00 to Twilio today. Region wide there were 260 calls requesting a volunteer, 1,503 meeting lookups by phone, and 2,022 texts for a meeting schedule. 166 of the 260 calls were "missed" (64%). It is important to note that hang ups are included as "missed calls".

A new YAP version 4.3 was released in March 2024 and more will be revealed on this. This update includes new features like SPAD and updated reporting functions.

If any area or member requires assistance, please contact this subcommittee at phonel.chair@crna.org or (828)598-1021. I am also active on the SLACK Channels.

Thank you for allowing me the opportunity to serve the CRNA.

RCM

The War is Over group of Narcotics Anonymous (NA) would like to bring a discussion to Area: We are concerned that we have a NA group in our Area (Welcome Home) using non-approved NA readings during their meeting. We do understand that our 4th Tradition (Each group should be autonomous except in matters affecting other groups or NA as a whole) allows groups to be autonomous and make their own decisions. However, we all have a voice in NA, and we do want to share ours by saying that this decision to edit or read NA non-approved literature during a NA meeting does affect the newcomer, our Area, Region and the NA structure along with violating the Fellowship Intellect Property Trust (FIPT).

(When asked by other members/groups about how this could affect the newcomer and

Response - it can confuse the newcomer or other members unfamiliar with the Traditions and/or the NA structure by opening the doors to the idea that any of us can edit our current literature, read non-approved literature during our meetings, or imply that NA does not have a process in place to edit or change literature which is part of our service structure (NAWS, CAR, AND WSC). We are part of a fellowship, this is not my or your books/readings to change. This is our - as a world wide fellowship - literature, and NA has a process in which all members represented by their RCMs have a voice and input in all future changes; a collective voice. Another thought is that this can become a slippery slope in the future, every action has a reaction: how could this affect us (Area and so on...) if other homegroups members open other meetings and also decide to make their own changes. The point is that we now could have several meetings in our Area using edited versions of the NA literature. What is there to say that we cannot now change the JFT, SPAD, and other literature in the future? What is there to say or in place that further changes could come next? What about if another NA member attends the Welcome Home meeting and does not want to read non-approved literature, is there another option or warning on their format/meeting schedule? Once that door is open, not only with pronouns but with any word or type or editing, it creates room for further changes without allowing the collective voice of NA to its input and feedback. When we use the proper NA structure to make any change, various points, questions and voices are heard and processed, so the fellowship as a whole is also protected.

Our homegroup did a lot of research before bringing this up for discussion. The Narcotics Anonymous World Services (NAWS) response to non-approved literature being read in meetings is to only read NA approved-literature and utilize our fellowship structure for changes. NA Groups have a wide range to create their own format, but not to the literature. NAWS also suggested other solutions (please see NAWS email). NA also has another literature protection in place, the FIPT that addresses the reproduction and use of copyrighted NA fellowship-approved recovery literature and the use of registered NA trademarks and service marks by NA groups, service boards, and committees.

Please keep in mind that these concerns are not based on the group type, its homegroup members or the format of the group, but simply about the changes and use of non-approved literature. We understand and appreciate the positive impact of this group in our Area and community by providing a safe place for all addicts. Many of us attend this group and have personal relationships with its homegroup members making these concerns

very sensitive to my own recovery as well. However, this is about principles, not personalities. Therefore, we are willing to support further discussion at an Area and Regional land Regional level to problem-solve other options that would support our structure, Traditions, and FIPT and FIPT. As an Area, could we present a regional motion to the next CAR bringing up the Welcome Home group voices, concerns, and need for immediate change? With that in mind, we would like to ask our RCM to take this discussion to the next Regional Meeting and continue the discussion to generate more ideas/feedback on how to handle all Area's homegroups voices and concerns.

We hope that by having this discussion in Area, all our collective voices are heard and a loving power greater than ourselves will guide us into a group conscience.

P.s: Not speaking from anybody else in my homegroup, I am in favor of all gender-neutrality motions in process and had my voice heard during our last CAR; however, I believe and trust the NA structure and the Traditions as that has kept our fellowship alive.

In loving service,

Roberta S. (filling in for The War is Over GSR).

Thanks for contacting NA World Services. Regarding changes to NA recovery literature, it is important to note that NA recovery literature is approved by the collective conscience of the NA groups at the World Service Conference. The NA Fellowship has not provided NA groups the ability to unilaterally change NA recovery literature. The authority here is the collective voice of the NA groups, as expressed at the World Service Conference. Any changes to the approved literature would be a conflict with the conscience of the WSC and the Second Tradition. We would caution against making any changes to the approved literature. The Group Booklet offers this guidance:

"What kinds of literature should we use?

NA World Services produces a number of different kinds of publications. However, only NA-approved literature is appropriate for reading in Narcotics Anonymous meetings. Selections from NA-approved books and pamphlets are usually read at the beginning of an NA meeting, and some meetings use them as the core of their format. NA-approved literature represents the widest range of recovery in Narcotics Anonymous."

Some groups who have discussed this issue have decided to refrain from reading particular pieces of NA literature. The group has that freedom. A great resource for members to gain additional information is NAWS Bulletin #34, Group Conscience and NA Literature

http://www.na.org/admin/include/spaw2/uploads/pdf/bulletins/Bul_34_Group_Consci ence_and_NA%20Literature_(2020).pdf You may be interested to know that this issue was discussed across the Fellowship in the mid-1990s. Here is a link to a bulletin that resulted from that effort: https://www.na.org/?ID=bulletins-bull19

Most recently, a couple of decisions were made related to this topic at the 2023 World Service Conference (WSC). One of the Issue Discussion Topics (IDT) for the 2023-2026 conference cycle will be "Gender-neutral and inclusive language in NA literature", and the CAR motion related to this topic also received strong support. That will result in a project plan being offered at the 2026 WSC.

We have posted the IDT materials on our website. Here is a direct link <u>www.na.org/idt</u> You are welcome to share these materials with members of your NA community in support of local workshops on the topic.

You may want to gain an e-subscription to NAWS News to stay apprised of this and other world services activities and projects. <u>www.na.org/subscribe</u>

Thanks again for writing. Feel free to share this information with other interested members.

Steve Rusch

CRNA Finance Committee Report

April 13 2024

Hello Committee Members Unfortunate I am unable to attend meeting in person or via zoom

We held monthly meetings on the first Sunday of each month at 7:30pm. Discussions has been Budget, and insurance. Budget was completed at finance meeting on past Sunday. Treasurer will present budget at the CRNA meeting 4/15 to be taken back to homegroups for voting to held in July

Insurance (general Liability) was discussed, it is concluded that all homegroups in our region will need to request a certificate of insurance, this is the suggestion of the insurance agent.

Loving service

Pamela Hinton

Alt-RCM Report 04/13/2024

Good Afternoon,

The CRNA was held as scheduled on 04/13/2024. The minutes from last regional meeting were approved.

There were 2 new proposals that will need to be voted on by each area but the proposals haven't been uploaded to the CRNA website yet since the regional meeting took place yesterday. Assuming they are uploaded within a reasonable time parameter, I will have them for the next area meeting. These will need to be voted on so that they can be taken back to the region for the next meeting which will be on July 13, 2024.

There was one proposal that was taken care of in house and it was for the reimbursement for the food that was bought for the in-person portion of the hybrid regional meeting. The total being reimbursed was \$129.00 which was passed by the RCM's that were present.

Treasurer Report Highlights

-Fourth quarter donations total \$12,669.98

-Fourth quarter expenses total \$3373.50

-Current Bank Balance \$19,763.21

-Recommendation for NAWS donation \$9765.57

There are still many positions open in the regional area and our region is in desperate need of addicts willing to serve. The positions are as follows: Secretary, Alt-Secretary, Alt Treasurer, Finance Vice-Chair, H&I, H&I Vice-Chair, Lit Review and PR Co-Chair. The PR chair has also made it known that when her term is up in June of this year she will no longer be filling the position since she has been holding that chair for 3+ years.

The next regional meeting will be held in Darlington by the Greater Peedee area at the Purple Fish Coffee Company which has agreed to let the region meet at their facility, which is normally closed on Saturday, July 13, 2024 from 10:00am-5:00pm.

I have attached all the reports from the meeting for anyone to view.

Thank you for allowing me to serve.

Policy Subcommittee Report

April 2024

We have met monthly and worked on policy updates. Policy has been updated an uploaded to the portal. The Appendixes will be upload as it is a really large file and I may need to send it to IT on a thumb drive.

We need members to help carry on the torch for next year. We meet monthly the first Sunday after the Finance meeting.

PHONE LINE SUBCOMMITTEE REPORT

Apr 13, 2024

Hi CRNA family!

The Phoneline Subcommittee thanks everyone for their service and continued commitment to carry out our primary purpose in line with the 5th Tradition. There are 12 areas in the Carolina Region actively using the YAP system with enabled volunteers.

Two areas reached out for assistance and their issues were resolved. 1 area reached out for additional information and their call was returned. In the past quarter 1 password reset requests were made and completed. I overlooked 1 email for orientation because it went to SPAM, but responded as soon as I realized the error. Please note that if I do not respond to your email requests right away, feel free to text/call me at (828)598-1021 or contact me through the SLACK Channels.

Our billing totals for January are \$34.70, for February are \$40.21, and for March are \$44.01. I have attached visual graphs for review. I do not post detailed statements to protect all areas of autonomy due to all call details being listed. The current balance is \$84.92 and I am requesting Ron B. to add \$150.00 to Twilio today. Region wide there were 260 calls requesting a volunteer, 1,503 meeting lookups by phone, and 2,022 texts for a meeting schedule. 166 of the 260 calls were "missed" (64%). It is important to note that hang ups are included as "missed calls".

A new YAP version 4.3 was released in March 2024 and more will be revealed on this. This update includes new features like SPAD and updated reporting functions.

If any area or member requires assistance, please contact this subcommittee at <u>phonel.chair@crna.org</u> or (828)598-1021. I am also active on the SLACK Channels.

Thank you for allowing me the opportunity to serve the CRNA.

CRNA Finance Committee Report

April 13 2024

Hello Committee Members Unfortunate I am unable to attend meeting in person or via zoom

We held monthly meetings on the first Sunday of each month at 7:30pm. Discussions has been Budget, and insurance. Budget was completed at finance meeting on past Sunday. Treasurer will present budget at the CRNA meeting 4/15 to be taken back to homegroups for voting to held in July

Insurance (general Liability) was discussed, it is concluded that all homegroups in our region will need to request a certificate of insurance, this is the suggestion of the insurance agent.

Loving service
