REPORTS

- Steering Committee:
 - Chair - Patrick P.: He thanked Policy and Procedure for their hard work. He states there's things that will be discussed during New Business. He has been added to the bank account.
 - Vice Chair - Andrew B.: He states that good work has been done. He states work has been done to regain our nonprofit status. The proper forms have been filed with

the appropriate agencies and a resolution is forthcoming. He's trying to attend subcommittee meetings and attended the most recent Welcome Home subcommittee meeting. He states that Welcome Home needs support through hospitality donations, registrations, and booking rooms. He stated he will continue to sit in on subcommittee meetings. (Full report attached.)

- Treasurer - Jay N.: Stated we temporarily didn't have online access and our account was not linked to Quickbooks. It's currently up to date and all has been reconciled. The steps have been taken to update our nonprofit status and we are waiting for that update. The discrepancy between Quickbooks and Wells Fargo balances is the \$37.80 Quickbooks monthly subscription charge. The Quickbooks monthly subscription charge increased due to the previous promotion we had ending and another not being available. (Full report attached.)

- Quickbooks balance: \$6,459.57
- Wells Fargo balance: \$6,497.37
- Homegroup donations: +\$800.00
- Quickbooks monthly subscription: -\$37.80
- Activities: -\$150.00
- Schedules (outstanding): -\$58.32

Brian suggested that at least 3 months of the profit and loss be included in documents. That suggestion was taken.

- Secretary - Brittany G.: Stated the July 2024 minutes were sent out 07/14/2024. Reminded participants to utilize the contact and announcement sheets. Requested all reports be turned in before leaving. (Full report attached)

- GSRs:

- A New Perspective submitted a Home Group report online. They stated a \$39.00 area donation and requested 15 schedules. (Full report attached.)

- Subcommittees:

- Activities - Dave C.: There will be a lake day cookout activity held August 31st at Dreher Island State Park, shelter 11, from 10am-6pm. The activity will include food, drinks, games and a 2pm meeting. The next activities subcommittee meeting will be held 08/12/2024 at 6pm at the Starbucks on Knox Abbott. (Full report attached.)

- H&I - Vaughn J.: Reported that all current commitments are happening. They're working on getting panel leader commitments at Turbeville with 3-4 people interested; Nikki L. has agreed to facilitate access to all SCDC facilities that have requested H&I. They're currently getting applications submitted. When completing the application there is a requirement to include a color copy of your photo ID/DL. H&I has literature and the next literature order will be funded by GCANA. They're working with another member on getting basic texts to leave at the facilities. The next H&I meeting will be 08/25/2024 at 3pm at 5220 Clemson Ave, Columbia, SC 29204.
 - It was asked if there were any facilities requesting meetings that we haven't been able to get to. Turbeville is currently the only place requesting meetings. Other facilities want meetings but are under staffing restraints and not currently capable of facilitating a meeting. It was also stated the facilities liaison is staying in contact with facilities to further spread the message.
- P&P - Nick A.: Stated he tried to do as much as possible. Request legacy documents from Secretary of State, contacted an accountant, contacted the IRS, submitted the IRS form SS-4 application for Employer Identification Number, submitted IRS Form 1023-EZ for Recognition of Exemption under section 501C3, submitted Notice of Change of Registered Agent and Registered Office to Secretary of State, submitted Notice of Change of Principal Office to Secretary of State, met with Wells Fargo, wrote 6 motions to fix issues in our Guide to Policy document. Concerned with the mismatch between our group donations and our budgeted expenditures and our prudent reserve. Made participants aware of the policy requiring an ADHOC be formed for an annual financial review and scheduling our annual inventory meeting. (Full report attached.)
- PR - Heather F. for Chris F.: Last met 07/28/2024 with 4 people in attendance. No officers were elected but project coordinators were assigned. The current projects are business cards and PSAs, facility contact list for schedules, and phone line coordination. Discussed and prioritized goals including fostering unity between PR and H&I through partnership and a joint learning day, update phone line volunteer list, promote phone line service, develop contact and inventory system for local organizations that will post schedules in their facilities, distribute NA business cards to local first responders, conduct a minimum of 2 flier drives, create facility

presentation kits, conduct a minimum of 2 presentations, reach out to local media to run PSAs, participate in community events. Updated the business cards. It was brought to their attention that all meetings in Columbia, including GCANA meetings, are being listed on the phone line. We are unsure of the accuracy of their current BMLT. Awaiting a response from GCANA on updating their meeting schedule BMLT. States they believe they can safely cut \$600.00 from their budget. Will be changing their meeting time to 1pm on the last Sunday of each month in order to meet with the PR Liaison from H&I. (Full report and business card example attached.)

- RUTS - Heather F. for Chris F.: Met 08/05/2024 with 3 people in attendance. Discussed needs for the campout including firewood, groceries, shopping, activities, and supplies. Seeking speakers for Friday and Saturday nights. Requested homegroups announce that registration is open on the website. Please register even if you aren't paying yet. A headcount is needed for purchasing purposes. The next meeting will be 09/09/2024 at the Starbucks on Knox Abbott Drive at 6:30pm.
- Web Servant - Heather F.: Thanked everyone for utilizing the website. We have 26 Homegroups in our area but around 15 of them are active. There were 20 schedules printed per Homegroup & 100 schedules printed for H&I. More schedules can be requested in person or on the website. Annual domain renewal was \$240.05 & the total for printing 400 schedules was \$34.56. Requesting reimbursement of \$270.61. Estimates that their budget can be decreased to \$800.00. Believes they can shop around for domain hosting to find better costs. The next meeting is 08/18/2024 and 4pm at the Starbucks at 2408 Augusta Road in West Columbia. Working on a new setup for schedules through Region to include meeting types. Request homegroups submit reports on the website. Reminded homegroups to dispose of old schedules. (Full report attached.)
 - Clyde (Naturally High): Can you use more visible colors on the website? Responded that someone that works with our type of website is currently helping and that's on the list to be adjusted.
- Welcome Home - Jason B.: Still accepting pre-registrations. The room block is open through 08/13/2024. The main speakers for Friday and Saturday nights have been selected. The fliers have been updated and contain the Venmo and CashApp codes.

Hospitality is looking for homegroups willing to donate food to the convention. Reach out to Jason or Justin to sign up. The last fundraiser will be 08/17/2024 from 5pm-8pm for Burger and Bingo. \$15 for a burger and 3 bingo cards. There will be prizes for the winners. Both the fundraiser and convention are 'no addict turned away' events.

GROUP CONCERNS (SHARING SESSION)

- Group Problems:
 - Discussed 501C3 with Serenity at Sunset GSR.
- Group Issues (Area Committee Issues):
 - Budget deficit: We're currently budgeting to spend \$7650.00 this year when our group donations totalled \$2875.00 and our current bank balance is around \$6000.00. Suggested to lower prudent reserve to \$8000.00 or significantly decreasing our current budget by ~66%. The excess funds we received years ago from a windfall donation are running out. Suggested adopting a policy of not budgeting to spend significantly more than our projected annual total of group donations. As a result of this budgeting shortfall, all expenditures will require approval at least until we have an annual budget based on realistic projection for group donations. (Document attached.)

Treasurer Report 08/11/2024

As of today, Quickbooks balance is \$6459.57. This reflects a \$37.80 charge from Intuit. The Wells Fargo Statement does not reflect the charge yet (\$6,497.37). The expenditures this month were \$150.00 to the Rainbow Group (Speaker Jam) and a reimbursement to Chris F. for Schedules (Check of \$58.32 still outstanding). The Area had deposits of \$800.00 in donations. We temporarily did not have online access and our account was not linked to Quickbooks. It currently is up to date and all has been reconciled regarding the accounts being up to date. We are still waiting to update the non-profit status. The steps have been taken to move that process forward. Thank you for allowing me to serve. Jay M.

Central Carolina Area or Narcotics Anonymous
Area Service Committee Meeting
Policy and Procedure Subcommittee Chair Report
August 11, 2024

Hello Area Service Committee,

I tried to do as much as I could this month.

- 1) submitted to Secretary of State request for legacy documents for CCANA INC to research our nonprofit status issues that were previously cited by Wells Fargo when we tried to change signatories on the bank account
- 2) contacted accountant about our nonprofit status
- 3) contacted IRS about our nonprofit status (on advice received from accountant)
- 4) submitted to the IRS Form SS-4 Application for Employer Identification Number (EIN) (on advice received from IRS)
- 5) submitted to the IRS Form 1023-EZ Streamlined Application for Recognition of Exemption Under Section 501(c)(3) (on advice received from IRS)
- 6) submitted to Secretary of State Notice of Change of Registered Agent and Registered Office (on advice received from accountant)
- 7) submitted to Secretary of State Notice of Change of Principal Office (on advice received from accountant)
- 8) met with Wells Fargo to discuss our bank account issues, not being able to change signatories or remove "key executives"
- 9) wrote 6 motions to fix issues in our guide to policy document

At this point my most significant concern for us is the mismatch between our group donations, our budgeted expenditures and our prudent reserve. I am asking that this be added to the area committee issues section of our agenda today.

Per our policy today in new business we are required to appoint an ad hoc committee to do an annual financial review of our previous fiscal year. We should also schedule our annual area inventory meeting.

If anyone has questions about the policy changing motions submitted today please feel free to contact me. Hopefully we answer any and all questions today but as a GSR I know sometimes new questions can arise when the motions are discussed in a home group.

PR Report 8.11.2024

Thank you for your confidence and the opportunity to serve this Area and our Home Groups. Public Relations is something that I am very passionate about, and I look forward to better carrying the Message of Recovery in our community to better serve the still sick and suffering addict, as well improve our public image.

The ^{AS}committee met on August 28th. There were 4 people in attendance. Officers were not elected, but we did assign Project Coordinators for the following Projects:

- Business Cards and PSA's
- Facility Contact List for Schedules
- Phone-Line Coordination

We discussed our operational goals for the term, including developing and fostering unity and cooperation between CCANAPR and H&I through partnership and a joint-learning day. Update Phone-Line volunteer list and availability, as well as visit homegroups to promote phone-line service and orientations. Develop contact and inventory system for local organizations within the community that will post schedules in their facilities. Distribute NA Business cards to local police and EMS. Conduct a minimum of (2) flyer drives. Create a facility presentation kit with Literature, Pamphlets, and Materials, as well as conduct a minimum of (2) presentations per year. Reach out to local media outlets to run PSA's. Participate in community events whenever possible. We have made new business cards with QR codes for the website on one side, and schedule on the other. I have attached the images to this report. Operational goals were prioritized.

It has been brought to the attention of the committee that when calling the phonenumber, meetings for both areas are given for the

Columbia area. This usually would be a good thing, however we have no idea whether or not the information from GCANA has been updated, as they haven't had a PR Chairperson in quite some time. Last year, we decided to remove their meetings from our meeting schedules because we felt that it was more dangerous to list meetings that we don't know are open, versus posting nothing at all. I have reached out to GCANA, and they have nominations for PR Chair that has gone back to their homegroups. I informed them that I am happy to help update their BMLT with current meetings in the meantime. Currently I am awaiting a response.

After consideration of the Area's budgetary issues, we reviewed our Committee budget, and have determined that we can safely cut \$600 from our budget this year in order to help be more prudent with funds. This cut will have no affect on achieving our operational goals for the term.

We will be changing our meeting time from 2pm to 1pm on the last Sunday of each month. We decided to do this in order to be able to meet with the PR Liaison from H&I. This will help foster the partnership and unity that has long been missing between Public Relations and H&I.

Thank you for allowing me to serve,

Chris F.

Recovery Under the Stars Report 8.11.2024

The committee met August 5th, 2024. There were 3 people in attendance. We discussed needs for the upcoming campout, including firewood, groceries, shopping, activities, and supplies. We are seeking speakers for Friday and Saturday night campfire meetings. Please announce at homegroups that registration is open on the website under the "RUTS 2024" tab. Our next meeting will be September 9th, 2024 at the Cayce Starbucks on Knox Abbott Drive.

Web Report

8\11\2024

Hi all,

Many of you are utilizing the website and I want to thank you for it. It is a great tool for our home groups, and addicts in general, to find meetings and things to do in our area. We currently have 26 home groups in our area, but around 15 actively come to the ASC meeting. I will be providing 20 schedules per homegroup and around 100 for H&I. There are 400 schedules present and they have been bundled for each homegroup to grab. Please be considerate of other home groups to make sure everyone can get some. If any home group needs additional schedules, please let me know. You can do this in person or by going to our website and requesting schedules there.

Our domain and word press plus hosting with Bluehost renewed this month. Total costs were \$240.05. Total for printing 400 schedules was \$34.56. Receipts are attached to this report.

Looking at costs, based on possibly having to order 500 schedules a month and annual website costs, I believe the Web's budget can be decreased to \$800 comfortably. If resources are used wisely, such as home groups requesting an accurate number of schedules they may need, can help us from printing too many which causes a lot of schedules to be thrown away. Our primary goal is to get information to the newcomer, but in a responsibly way. I believe we could also shop around for hosting to see if we could find better costs. I do know the cost of our website seems to increase each year. By doing this, we could cut even more cost to our area's budget.

There is a lot to discuss, and I would love to see some of you are the next Web meeting, August 18th, 4pm at Star Bucks, 2408 Augusta Rd. West Columbia.

Thank you for letting me serve,

Heather F.

Welcome Home

Welcome Home is right around the corner. We are still accepting preregistration and still have room blocks to fill. We have locked in our Friday night speaker, Bob B. From SC And our Saturday night speaker Barbara K. From NC. We have updated flyers going around which still contain the Venmo and Cashapp codes for registration, as well as the QR code for booking a room. Our hospitality chair is still looking for any homegroups willing to donate food to the convention. We will have a sheet circulating for any homegroups who would like to sign up. Please attach homegroup name as well as a contact name and number. We will be having our last fundraiser on August 17th! This will be a burgers and bingo night from 5-8 pm at 2491 Emmanuel Church Rd. \$15 will get you a burger and 3 games. There will be 3 prizes to be won. This is a no addict turned away event for both the fundraiser and convention so please come out and show support.

Thank you for allowing me to serve.

Central Carolina Area or Narcotics Anonymous
Area Service Committee Meeting
Area Committee Issues, Budget Deficit
August 11, 2024

We have budgeted to spend \$7650 this year and last year our total for group donations was only \$2875. Our bank account balance is currently around \$6K. I believe we should consider increasing our prudent reserve to \$8K so that if we are fortunate enough to receive the additional \$1650 in group donations early in the fiscal year that we will have it on hand and available to satisfy our budgeted costs. Even if we cover our budgeted costs this year then without a significant increase in group donations our total money available to spend next year will be decreased by about $\frac{2}{3}$ or 66%. Alternatively, instead of increasing the prudent reserve we could consider drastically cutting our current budget by up to $\frac{2}{3}$ or 66% in order to preemptively prepare for our inevitable lack of funds.

How did we get here? I am told that several years ago we received a large windfall donation. It is apparent that after receiving the windfall donation we increased the prudent reserve to \$10K to avoid sending the excess funds on to the region. In the years that followed we budgeted to spend significantly more than our annual total of group donations and paid the difference using the funds from this large windfall donation. Those excess funds are running out. Also it looks like we have been budgeting to spend more and more each year well beyond the rate of inflation and without consideration for our limited annual total of group donations. We need to adopt a policy of not budgeting to spend significantly more than our projected annual total of group donations.

As a result of this budgeting shortfall we will be requiring a vote of approval for all expenditures at least until we have an annual budget based on a realistic projection for group donations.

The Guide to Area Policy should not contain anything that is not managed and updated by the area service committee. Changes to these subcommittee policies are not in the purview of the area service committee. Including these subcommittee policies increases the page count by more than 100% and they contain many inaccuracies that cannot be corrected by a vote of the GSR's. The subcommittee chairs are servants trusted to do many things including manage their own subcommittee policies. No evidence of ever taking a vote to include these appendices is available. The appendices just appeared near the end of the previous fiscal year when the Guide to Area Policy document was updated without ever actually holding a subcommittee meeting or having a subcommittee chairperson at the time.

X. B. 1. These subcommittees are each responsible for formulating their own policy and procedures adhering to GTLS, H&I, PR, AC, and Convention guidelines and handbooks published by NAWS INC. for suggested guidelines and should be given to the Policy and Procedures chair on an annual basis.

The policy and procedure subcommittee will continue to assist these subcommittees in maintaining and organizing their policy documents on an annual basis. Any requirements that the area service committee has for these subcommittees should instead be contained in the Guide to Area Policy, Structure and Procedures, X. Subcommittees.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in section 509(a)(2).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

12/31/99 Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make

a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social securities taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If you are required to file a return you must file it by the 15th day of the fifth month after the end of your annual accounting period. We charge a penalty of \$10 a day when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty we charge cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. We may also charge this penalty if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471.

(January 1988)

Major New Tax Law Changes Affecting Exempt Organizations

Legislation signed into law by the President on December 22, 1987, contains a number of significant provisions affecting tax-exempt organizations described in section 501(c) of the Internal Revenue Code. These provisions include new public disclosure requirements imposed on the organizations, penalties for not complying with the new requirements, and taxes on political expenditures and lobbying beyond allowable amounts by certain types of exempt organizations. Some of these provisions were effective on the date of enactment or the day following, and some become effective January 21 or February 1, 1988.

Exempt organizations need to familiarize themselves with these tax law changes in order to bring themselves into compliance. This Notice attempts to alert you to the major new provisions affecting tax-exempt organizations. In some cases, the new law requires important changes in how you conduct certain activities, such as when a noncharitable organization solicits contributions. In other instances, the new law will require changes in how you maintain accounting and other types of records, such as when a charitable organization has certain types of transactions or relationships with noncharitable organizations. Set forth below are brief descriptions of the new law's key provisions. The Service plans to provide further guidance in the near future.

Public Disclosure Requirements

Solicitations of Nondeductible Contributions.—Beginning February 1, 1988, any fundraising solicitation by or on behalf of any section 501(c) organization that is not eligible to receive contributions deductible as charitable contributions for Federal income tax purposes must include an express statement that contributions or gifts to it are not deductible as charitable contributions. The statement must be in a conspicuous and easily recognizable format whether the solicitation is made in written or printed form, by television or radio, or by telephone. However, this provision applies only to those organizations whose annual gross receipts are normally more than \$100,000. Religious and apostolic organizations described in section 501(d), as well as political organizations (including PACs) described in section 527(e), are also required to comply with this provision.

Failure to disclose that contributions are not deductible could result in a penalty of \$1,000 for each day on which a failure occurs, up to a maximum amount upon any organization of \$10,000. In cases where the failure to make the disclosure is due to intentional disregard of the law, the \$10,000 limitation does not apply and more severe penalties are applicable. No penalty will be imposed if the failure is due to reasonable cause.

Public Inspection of Annual Returns.

— Any organization that files a Form 990, Return of Organization Exempt From Income Tax, for a tax year beginning after 1986 must make its return available for public inspection upon request within the 3-year period beginning with the due date of the return (including extensions, if any). All parts of the return and all required schedules and attachments other than the list of contributors to the organization must be made available. Inspection must be permitted during regular business hours at the organization's principal office and at each of its regional or district offices having 3 or more employees. This provision applies to any organization that files a Form 990, regardless of the size of the organization and whether or not it has any paid employees.

Any person who does not comply with the public inspection requirement may be assessed a penalty of \$10 for each day that inspection was not permitted, up to a maximum of \$5,000 with respect to any one return. Any person who willfully fails to comply may be subject to an additional penalty of \$1,000. No penalty will be imposed if the failure is due to reasonable cause.

Public Inspection of Exemption

Applications.—Beginning January 21, 1988, any section 501(c) or 501(d) organization that submitted an application for recognition of exemption (including Forms 1023 and 1024) to the Internal Revenue Service after July 15, 1987, must make available for public inspection a copy of its application (together with a copy of any papers submitted in support of its application) and any letter or other document issued by the Service in response to the application. An organization that submitted its exemption application on or before July 15, 1987, must also comply with this requirement if it had a copy of its application on July 15, 1987. As in the case of annual returns, the copy of the application and related documents must be made available for inspection during regular business hours at the organization's principal office and at each of its regional or district offices having at least 3 employees.

The penalties for failure to comply with this provision are the same as those discussed in "Public Inspection of Annual Returns" above, except that the \$5,000 limitation does not apply. No penalty will be imposed if the failure is due to reasonable cause.

Both exempt organization returns and approved exemption applications will continue to be available for public inspection at IRS district offices and at the IRS National Office in Washington, D.C.

Disclosures Regarding Certain Information and Services Furnished.—A section 501(c) organization that offers to sell (or solicits money for) specific information or a routine service to any individual which could be readily obtained by that individual from an agency of the Federal Government free of charge or for a nominal charge must disclose that fact in a conspicuous manner when making any such offer or solicitation after January 31, 1988. Any organization that intentionally disregards this requirement will be subject to a penalty for each day on which the offers or solicitations were made. The penalty imposed for a particular day is the greater of \$1,000 or 50 percent of the aggregate cost of the offers and solicitations made on that day which lacked the required disclosure.

Disclosures Regarding Certain Transactions and Relationships.—In their annual returns on Form 990 or 990-PF for years beginning after 1987, section 501(c)(3) organizations must disclose information with respect to their direct or indirect transfers to, and other direct or indirect relationships with, other organizations described in section 501(c) (not including other section 501(c)(3) organizations) or in section 527, relating to political organizations. The purpose of this provision is to help prevent the diversion or expenditure of a section 501(c)(3) organization's funds for purposes not intended by section 501(c)(3) of the Code. Forms 990 and 990-PF for 1988 will require this additional information. All section 501(c)(3) organizations are now obliged to begin maintaining records regarding all such transfers, transactions, and relationships.

Political and Legislative Activities

Political Activities by Section 501(c)(3) Organizations.—Section 501(c)(3) has been clarified so that it now explicitly bars not only activities and expenditures "in support of" any candidate for public office, but also activities and expenditures "in opposition to" any such candidate. Other sections allowing a charitable contribution deduction for Federal income, estate, and gift tax purposes have been amended in an identical fashion. These amendments took effect on December 23, 1987.

Another amendment taking effect on the same date precludes qualification under section 501(c)(4) for any organization that lost its section 501(c)(3) status because of its intervention in a political campaign. This ensures that such an organization would be subject to Federal income tax for at least one year before its tax-exempt status under section 501(c)(3) could be reinstated. Prior to this amendment, section 504 of the Code barred section 501(c)(4) qualification only for those organizations that lost their section 501(c)(3) status because of substantial lobbying activities.

Tax on Political Expenditures by Section 501(c)(3) Organizations.—For taxable years beginning after December 22, 1987, an initial excise tax under new section 4955 is imposed on any amount paid or incurred by a section 501(c)(3) organization in connection with any intervention in a political campaign on behalf of, or in opposition to, any candidate for public

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 99-4007820. This EIN will identify your entity, accounts, tax returns, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for business and tax purposes. Some taxpayers receive CP575 notices when another person has stolen their identity and are operating using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status, organizations must complete an application on one of the following forms: Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1024, Application for Recognition Under Section 501(a); or Form 1024-A, Application for Recognition of Exemption Under Section 501(c)(4) of the Internal Revenue Code.

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

If you become tax-exempt, you will lose tax-exempt status if you fail to file a required return or notice for three consecutive years, unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File). We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter. For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

Part IV is designed to classify you as an organization that is either a private foundation or a public charity. Public charity status is a more favorable tax status than private foundation status.

1 Are you applying for recognition as a church, school, or hospital (described in section 170(b)(1)(A)(i), (ii), or (iii) of the Internal Revenue Code)? If yes, stop. Do not file Form 1023-EZ. See Instructions Yes No

As a private foundation, you are required by section 508(e) to have specific provisions in your organizing document, unless you rely on the operation of state law in the state in which you were formed to meet these requirements. These specific provisions require that you operate to avoid liability for private foundation excise taxes under sections 4941-4945.

Select this box to attest that your organizing document contains the provisions required by section 508(e) or that your organizing document does not need to include the provisions required by section 508(e) because you rely on the operation of state law in your particular state to meet the requirements of section 508(e). (See the instructions for explanation of the section 508(e) requirements.)

Part V Reinstatement After Automatic Revocation

(Check only one box.)

- 1 Check this box if you are seeking retroactive reinstatement under section 4 of Revenue Procedure 2014-11. By checking this box, you attest that you meet the specified requirements of section 4, that your failure to file was not intentional, and that you have put in place procedures to file required returns or notices in the future. Central Carolina Area of Narcotics Anonymous
FINANCIAL RECORDS REVIEW

(Policy) The Area Chairperson will appoint an ad hoc committee in August to review financial records including all Subcommittees (i.e. Welcome Home, H&I, etc) handling money and/or merchandise. An ad hoc committee will also be appointed to review Area finances thirty (30) days after the election of a Treasurer if the Treasurer was elected in the middle of a term after the report has been submitted to ASC. The ad hoc committee report should be presented at a scheduled ASC meeting no later than October of the given fiscal year. The ad hoc committee will include but not be limited to at least three (3) members who have not been signatories at any time during the previous year.

CCANA Guide to Area Policy, Revised October 2023, Financial Policy I E
<https://centralcarolinana.org/wp-content/uploads/2024/03/Full-Policy-and-Appendices-Feb-2024-1.pdf>

AD HOC COMMITTEES

Sometimes an area committee comes up with a question or special project that does not fit into any existing subcommittee's job description. Perhaps a new piece of NA literature is being developed by world services, for instance, and the area has been asked to gather input on the piece from NA members. Perhaps local members have come up with an idea for a new piece of NA literature that they want to develop a bit before they turn it over to world services. Maybe area groups have begun having difficulty finding new places in which to hold recovery meetings and want the ASC to give extended attention to the matter. Or perhaps the committee feels it's time to develop guidelines for itself. In such cases, the ASC may wish to create an ad hoc committee to address the issue.

Ad hoc committees are set up for specific purposes and have limited lives. When they have finished their jobs, they are disbanded. In creating an ad hoc committee, the ASC should clearly specify what the committee's purpose will be, what authority and resources it will be given, and how long it should take to complete the job. Then the area chair may appoint either the entire ad hoc committee or just a chairperson who will put the ad hoc committee together later. Once the ad hoc committee's work is completed, the committee is dissolved.

Central Carolina Area of Narcotics Anonymous
AREA INVENTORY

(Policy) The CCANA shall hold an Area inventory yearly, to receive experience, strength, and hope. The CCANA Area Service Inventory shall follow the format outlined in the Guide to Local Service" (GTLS) of Narcotics Anonymous.

CCANA Guide to Area Policy, Revised October 2023, Structure and Procedure VII K
<https://centralcarolinana.org/wp-content/uploads/2024/03/Full-Policy-and-Appendices-Feb-2024-1.pdf>

Some area committees set aside one day each year for conducting an area service inventory. Why? For much the same reason as NA members do personal inventories: to stop, consider their actions and attitudes, and rededicate themselves to their ideals. The area inventory considers three general topics:

1. How well has the area committee done this year at serving the groups, and how can it better serve them in the coming year?
2. How well has the area committee served the larger community, and how can the committee better serve the community-at-large?
3. How well has the area committee done at supporting NA's regional and world services? How can the area provide better support for these services?

A substantial amount of preparation is required on everyone's part for an effective area inventory. GSRs, officers, and subcommittees must take a fearless, searching look at their work over the last year and come to the inventory session prepared to review their roles on the committee. GSRs should spend time with their groups considering what needs might be addressed by the area committee in the next year and come to the inventory session with ideas in hand. Officers and subcommittees should take the time to look at the make-up of the larger community in which they live, ask themselves how NA could be more effective in reaching out to that community, and be prepared to share their thoughts with the entire area committee. And perhaps most importantly, all area committee participants should make an extra effort to prepare themselves spiritually to make the most of the area inventory meeting. Materials available from your World Service Office may provide additional help, especially in developing an agenda for your inventory session.

Having conducted an area inventory, many committees will come to the conclusion that certain aspects of their work need to be altered. It should be remembered that there is no one model for area service committees that will be completely appropriate to all areas. A number of factors will affect the kinds of services an area committee offers and the ways in which it offers them: community size, number of meetings, availability of experienced NA members, geography, local laws and customs, and other such considerations. What works in a major metropolitan setting probably won't work at all in a rural community. What will work in any setting is an effort to maintain sensitivity to the needs of the groups and the community. Each area committee will, to a great degree, have to find its own way of effectively providing services to those groups and the larger community of which those groups are a part.

Central Carolina Area of Narcotics Anonymous
AREA INVENTORY

Versatility is called for. Area committees in small or mid-sized communities may see fit to combine the work of some subcommittees, while well-established metropolitan committees might find themselves with a large number of highly specialized subcommittees, each with its own specific focus. Given reasonable consideration, an area committee should not be afraid to configure its services in whatever way it sees fit so that it may help carry the NA message in the most effective way possible.
